

Supervisor Angie Carpenter

Has the Town of Islip on the Right Track!

Moody's

Aaaa

Exceptional

Saving Taxpayers...by securing the highest bond rating a municipality can achieve!

BUG Paid for by the New York Republican State Committee. Not paid for at taxpayer expense.

Experienced Leadership for Islip Town

Reducing the Size of Government...

When Angie took office, she inherited a budget deficit with a process that lacked transparency. **Since then, she has increased efficiencies in Islip by consolidating departments** and doing more with less.

Direct Oversight...

The Carpenter Team **has gotten Islip's finances in order with direct oversight of all departments** including monthly budget/revenue projections to better track expenditures.

Holding the Line on Taxes...

The Carpenter Team is **committed to keeping the Town's budget under the state tax cap**, with the Town's portion representing less than 5% of your total tax bill.

Re-elect the
CARPENTER

TEAM ON NOV. 5TH
